

Guide to Completing I-765 Online

International Students and Scholars Office
University of North Carolina at Charlotte

Instructions

Please note this presentation is for instructional purposes only. The following screenshots have been provided directly from USCIS. ISSO is not responsible for any changes made to the online application by USCIS.

Ultimately, it is your responsibility to carefully review the USCIS I-765 instructions and I-765 form, and to properly complete and file your application in a timely manner.

You must request an I-20 from ISSO before you begin the I-765 application.

Important Reminders

- Do not submit an online application if you have already filed by mail. Duplicate applications may be denied by USCIS.
- You may only file Form I-765 online from within the U.S. You are not eligible to apply for OPT from outside the country.
- While filing Form I-765 online may be quicker and easier than filing by mail, it does not speed up the time required for USCIS to adjudicate your application. See the USCIS website for current processing times.
- Once you submit your application, you cannot go back to edit or change information. Please contact an ISSO advisor immediately if you believe you have provided incorrect or incomplete information when filing Form I-765. Failing to do so can result in Requests for Evidence (RFEs), processing delays, or the denial of your application by USCIS.
- You can still choose to file your I-765 using the paper process. However, as noted above in point (1), please do not file using both methods.

Do I need an ISSO cover letter?

Unlike the Paper I-765, you do not have to upload the ISSO Cover Letter with your online application. The online application is intuitive so there are no inapplicable fields to worry about nor will it let you go on to the next screen if you've neglected to fill-in a required field.

Benefits of Filing Online

- All information is submitted online. There is no mailing or postage cost involved
- You must complete all required fields before the system will allow you to proceed. This may mean less chances that your application will be rejected due to incomplete information
- Immediate receipt number
- You can use the online portal to respond to Requests for Evidence (RFEs)
- Updating your address/contact information in profile is immediate
- Can sign up for alerts on case actions
- You can save your work and come back!!!

OPT Application Checklist
